

# GOLF SCHOOLS

Our golf school programs are a great way to get your game moving in the right direction. You may choose from our 3-hour sessions to either focus on full swing or short game specifically, or our 2-day golf school with a comprehensive review of your game.

## 2-DAY GOLF SCHOOL<sup>3</sup>

Our 2-day golf school is designed to get your game moving in the right direction with 6 hours of instruction. Learn your tendencies and what you need to do to improve in key areas with equal full swing and short game focus. The program offers two half days of instruction for up to a maximum of 4 players from 9AM to 12PM, providing ample opportunity for afternoon activities such as playing golf, going to the beach, club fitting, or a relaxing afternoon at the spa.
